

**Activity report for guest lecture by alumnus**

<b>Name of activity</b>	Guest lecture by alumnus Dr. Aditya Chhatre
<b>Objectives of the activity (maximum 40 words)</b>	To motivate students for undertaking research in elite research institute To acquaint the students with promising opportunities of biological research
<b>Organizing department/s</b>	Department of Biotechnology and Microbiology
<b>Collaborative institute</b>	Nil
<b>Date ( DD / MM / YYYY )</b>	29 <sup>th</sup> January 2024
<b>Venue</b>	Patanjali Auditorium
<b>Mode</b>	offline
<b>Details of Resource person (name, designation, institution)</b>	Dr. Aditya Chhatre Max Planck Institute of molecular cell biology and genetics, Dresden, Germany
<b>Key Participants</b>	Students of First, second and thirds year biotechnology and Microbiology program
<b>Remarkable outcomes/ key take-away messages (max. three)</b>	<ol style="list-style-type: none"> <li>1. Students got to learn the comparison of classroom learning and research based learning</li> <li>2. They also were excited to learn the intellectual and monitory benefits that life in elite research schools offer</li> </ol>
<b>Details of participants</b>	
Total Number	128
Outsiders	nil
In-house	128
	Faculty members: 5                       Students:
	Male:        26        Female: 102        Others: --
<b>Additional information</b>	

Name of Coordinator/ teacher in-charge: Dr. Kalpita Mulye and Dr. Jayashree Pawar
