

➤ Second batch of Research Scholar Programme was successfully completed on 19th February 2019. All 16 students were honoured and appreciated with a certificate by the hands of Dr. Madhavi Thakurdesai (Head, Dept of Physics, B.K. Birla College of Arts, Commerce & Science (Autonomous), Kalyan) and Principal Dr. M.K. Pejaver.

VIDYA PRASARAK MANDAL'S B. N. BANDODKAR COLLEGE OF SCIENCE, THANE				
RESEARCH SCHOLAR PROGRAMME - SECOND BATCH FEBRUARY 2019				
NO.	PRN NO.	NAME OF THE STUDENT	Guiding Teacher	TITLE OF PROJECT
1	2016420110	Sashreeka Nachane	Dr. Snehal Bhangale Ms. Chetana Shetty	Comparative study of phytochemical analysis of <i>Spinacia oleracea</i> L. from three different regions
			Dr. Kiran Pariya	An analysis of learning style of students studying biological sciences
2	2016420047	Qamrunnisa Shaikh	Dr. Kiran Pariya	An analysis of learning style of students studying biological sciences
3	2016420079	Gayatri Thorat	Dr. Snehal Bhangale Ms. Chetana Shetty	Comparative study of phytochemical analysis of <i>Spinacia oleracea</i> L. from three different regions
4	2016420419	Chaitra Kulkarni	Ms. Ashwini Tilak Ms. Sayali Daptardar	Antimicrobial activity of plant against methicillin resistant <i>Staphylococcus aureus</i>
5	2016420245	Gautami Kambli	Dr. Kalpita Mulye	<i>Spirullina</i> : Water pollution indicator
6	2016420244	Dipti Dudhade		
7	2016420329	Leena Pawar		
8	2016420463	Divya Rasal		
10	2016420099	Preeti Mate	Ms. Chetana Shetty Ms. Priyanka Varma	Estimation of chlorophyll content in plant leaves from polluted and non-polluted regions
11	2016420334	Shruti Dukhande	Dr. Jayashree Pawar	Isolation of antibiotic producer from industrial effluent sample
12	2016420193	Shivani Malvankar		
13	2016420444	Nikita Nair		
7	2016420516	Latika Anchan	Ms. Sayali Daptardar	Isolation of microorganisms for effective seed germination and their probable use as biofertilizers
14	2016420336	Snehal Poojary		
15	2016420065	Chaitali Dode		
16	2016420612	Neha Rajput
