

**Department of Library and Information Science**  
**Report 2010-2011**

MLIS and BLIS courses were started on 9th August 2010. It is a birth anniversary of DR. S.R. Ranganathan. It was celebrated by a lecture of Dr. S.R. Ganpule.

Our students visited different libraries on 20th and 21st Dec 2010. On first day they visited libraries of American Information Resource Centre, S.N.D.T. University, Fort Library of University of Mumbai and Asiatic Society. On other day they visited Libraries of Tata Institute of Social Sciences, International Institute of Population Studies, Indian Institute of Technology.

Students visited Mumbai University Library, Kalina and attended a guest lecture on “The Preservation Web: a way of seeing” by Australian expert Dr. (Mrs.) Heather Brown on 28th Jan 2011. They also referred various reference sources in the library.

It is the practice of our department to organise various guest lectures for our MLIS students. Lecture on “Data Mining and Data Harvesting” was organised by Mr. Mangesh Ghodke on 3rd Feb 2011. Mr. Sandeep Bhavsar delivered a lecture on “Web Development and Portal Development” on 5th Feb 2011. Mr. Dalveer Reel share his practical experience on “Database Connectivity and Web Servers” on 17th Feb 2011.
