

Coming together is a beginning.  
Keeping together is progress.  
Working together is success.

## Vidya Prasarak Mandal's Polytechnic

JNANADWEEPA, COLLEGE CAMPUS, THANE (W) 400 601  
MAHARASHTRA STATE (INDIA)

Tel.: 2536 4494, 2533 9872. URL - [www.vpmthane.org](http://www.vpmthane.org)

Approved by : All India Council for Technical Education, New Delhi

Recognized by : Directorate of Technical Education, Maharashtra State, Mumbai - 400 001

Affiliated to : Maharashtra State Board of Technical Education, Mumbai - 400 051.

Accredited by : National Board of Accreditation, New Delhi for Academic year 2017-18 and 2018-19 valid upto 30-06-19.

### Institute Offers Following Five Regular Diploma Programmes

- Electrical Power System
- Industrial Electronics
- Instrumentation
- Information Technology
- Computer Engineering

# **V. P. M.'s POLYTECHNIC, THANE**

## **VISION**

**Ensuring Skill Development through  
Quality Technical Education.**

## **MISSION**

- ◆ **Imparting creative learning by Innovative Methodologies to expose the talents by the way of MSBTE Curriculum.**
- ◆ **Develop Technical Skills and professional Ethics with Entrepreneurial spirit through conducive environment.**
- ◆ **Cultivate lifelong learning skills to face challenges with Innovation.**

## GOVERNING BODY MEMBERS 2021-22

Dr. V. V. Bedekar	Chairman
Sri. T. P. Bendre	Member
Sri U. B. Joshi	Member
Sri. J. N. Kayal	Member
Sri. A. C. Joshi	Member
Dr. Ajeet Singh	AICTE Nominee
Prof. P. A .Naik	DTE Nominee
Dr. S. G. Taji	MSBTE, Nominee
Dr. D. D. Kale	Member - Academician
Sri. C. S. Limaye	Member - Industrialist
Dr. D. K. Nayak	Principal & Secretary
Mr. R. R. Rasal	Special Invitee
Mrs. S. M. Gupte	Member Teaching Staff
Mrs. R. U. Patil	Member Teaching Staff
Mr. S. C. Bhore	Member Support Staff

**CHAIRMAN**

**Principal Dr. D. K. Nayak**

**CHIEF EDITOR**

**Dr. Mrs. Geetali S. Ingawale**

**STUDENT COMMITTEE**

Mahabaleshwarkar Kshitish (CO)

Panda Diya (CO)

Thokale Abhinav (EP)

Dabholkar Omkar (EP)

Jarad Gaurav (IE)

Zunjarrao Vedant (IE)

Patil Krish (IF)

Wadatkar Shivam (IF)

Kelkar Gautam (IS)

Palkar Yash (IS)

**STAFF COMMITTEE**

Ms. Ismat Fatima Rizvi (HAAS)

Mrs. Supriya Rakesh Parab (HAAS)

Mrs. Darshana S. Kelkar (HAAS)

Mr. Aniket Pashte (HAAS)

Ms. Apurva Kamble (HAAS)

Ms. Mrunal Tatke (HAAS)

Mrs. V.S.Pagnis (IF)

## **Warm Greeting to the readers of Innovision 2021-22!!**

“Good leaders create a vision, articulate a vision and passionately owns a vision and turns it into a reality”

- Jack Welch.

Coming together is a beginning. Keeping together is progress. Working together is continuous efforts to achieve dreams, goals, ambitions, visions and missions in life.

Presenting each annual magazine is a dream of our Polytechnic. Each issue of the “Innovision” is actually a milestone that marks our growth, presents various activities and creative talent of our students, highlighting their success and achievements.

Our institute is one of the self financed Polytechnic in the Mumbai sub region to get all the four eligible Diploma Programmes **accredited by NBA, New Delhi for a period of three years w .e. f. 19/03/2004.** Presently all the Diploma Programmes are **Re-accredited by NBA, New Delhi, i.e. IE / IS valid upto 30/06/2019 and CO/EP/IF valid up to 30/06/2023.**

Annual magazine, “**Innovision 2021- 22**” is a reflection of achievements of staff and students in the year 2021-22. Blended activities throughout the year are captured in this volume with sincere efforts. It is my great honor to present this prestigious volume “**Innovision 21-22**”. Let me place on record my gratitude to Principal Dr. D. K. Nayak for his continuous motivation that kept us going.

I would like to extend my sincere thanks to all Magazine committee members, team of Perfect Prints who contributed to the success of the “**Innovision 2021-22**”.

Hebert Spencer said-

**“The great aim of education is not knowledge, but action.”  
And this is what we preach.**

**Best Regards,**

**Dr. Mrs. Geetali S. Ingawale**

**(Magazine Committee)**

## **Celebrating 75 years of Independence**

***Education is our Passport to the future, for tomorrow belongs to the people who prepare for it today.***  
**Malcom.X**

Dear Reader,

It gives me pleasure to place before you this year's edition of Innovision. The Odd Semester of last year concluded in the online mode and Even Semester with the off-line mode. Many students faced setback in the Summer-2022 MSBTE exams due to lack of preparedness. However, MSBTE considered the situation by giving One Time Opportunity (OTO) to First and Second Year students and Re-examination to Final Year students. This is indeed a golden opportunity to students to utilize and change academic fortunes. Departments are trying their best to help students to improve student's preparations through remedial and difficulty solving sessions.

The year had been full of blended activities and the departments have showcased their performances in respective reports. The prizes in the DTE level project competition as well as in the MoE Smart India Hackathon are indicators of excellence and give immense satisfaction to the stakeholders. I complement all the students for their academic as well as co-curricular success as these are the morale boosters in this profession.

With all the activities in full swing in the offline mode, students need to gear up for the normal mode. This year's admission scenario is promising with highest number of students opting for IT related courses even though other streams too have good enrolments. The Curricular, Co-curricular activities are in full swing and I am confident of student's all-round development. Dr. Mahesh Bedekar, member of Vidya Prasarak Mandal has initiated the Sports Academy for the Campus talents and students have the opportunity and encouragement to enroll for activities of their choice along with their studies. The start of Campus Cleanliness drive spearheaded by Polytechnic staff and students on 09.09.2022, is another example of our commitment towards a healthy environment.

On behalf of Staff and students of Polytechnic I convey my sincere gratitude to all the esteemed members of Vidya Prasarak Mandal and in particular Hon. Chairman Dr. Vijay V. Bedekar. The major share of success is attributed to the motivation from our mentors, staff and students for their relentless efforts.

Greetings to all the readers,

**Dr. D. K. Nayak**

***I have nothing new to teach the World. Truth and non-violence are as old as hills:***

**Significant Students Achievements (If Any)**

Smart India Hackathon 2022 is a nationwide initiative to provide students a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem solving.

Mr. Shreyas Avhad and his Team of TYIS have been selected for the grand Finale of SIH 2022 for their idea "Reconnaissance and Surveillance Drone with Beacon" under the category of Robotics and Drones

**Student Trainings / Workshops Attended (A.Y.2021-22)**

Sr No.	Name of Student	Year and course	Training/ Workshop Attended	Venue	Date	Event	Sponsoring authority
1	All TYIS	TYIS	Workshop	AV Room	27-11-21	CV and Resume building	Self
2	All TYIS	TYIS	VLAB Workshop	Virtual, Online	2-12-21 and 3-12-21	1. Design an alarm annunciator, 2. Calibration and Fault finding of I/P Converter, 3. Configure a transmitter for level control system	COE, Pune
3	Aneesh Bauskar Prakruti Rathod Kasturi Bapat Shreyas Avhad Saurabh Dubey	TYIS	Workshop	VES Polytechnic, Chembur	07-04-21	Manthan 2022	Self
4	All TYIS	TYIS	VLAB Workshop	AV Room	22-4-22	1. Control valve sizing 2. Overview of DCS	COE, Pune
5	All TYIS	TYIS	Workshop	Virtual Online	30-5-22	Delta-V DCS configuration	Emerson India

**Student Winners of Inter Collegiate Competition (A.Y. 2021-22)**

Sr. No	Name of Student	Topic Name	Type of Competition	Sponsoring Authority	Level	Venue	Date	Remark
1	Shreyas Avhad. Saurabh Dubey. Prem Bauskar	Reconnaisance & Surveillance Drone with Beacon	Idea Pitching competition	Self	Inter Dept	V P M's Polytechnic Thane	9/12/21	Second prize winner
2	Aneesh Bauskar Prkruti Rathod Kasturi Bapat	Solar Based EV	Idea Pitching competition	Self	Inter Department	V P M's Polytechnic Thane	12/12/21	Second prize winner
3	Bhavesh Prakash Sawakhande	Samajik Aikya	Portrait Sketch	Self	Inter Department	V P M's Polytechnic Thane	16/05/21	Second prize winner
4	Yogita Suresh Gulhane	Samajik Aikya	Still Life	Self	Inter Department	V P M's Polytechnic Thane	14/05/21	First prize winner
5	Tejal Rajendra Jejurkar	Samajik Aikya	Eassy competition	Self	Department	Sadbhavana Din and Samajik Aikya Pandharavada Celebration at V.P.M's Polytechnic	20/08/21	Participation
6	Kasturi Vinod Bapat	Samajik Aikya	Eassy competition	Self	Department		20/08/21	Participation
7	Nikhilesh Jitendra Mahadik	Samajik Aikya	Eassy competition	Self	Department		20/08/21	Participation

**VPM'S POLYTECHNIC, THANE**  
**ISTE CHAPTER VPM'S POLYTECHNIC, THANE (2021-22)**  
**DR. MRS. GEETALI S. INGAWALE**  
**(VPM'S POLYTECHNIC, ISTE CHAPTER SECRETARY)**

1. Mr. Prasad Patole 's (Ex - student of Instrumentation engineering ) book titled ' Automation Past Present and Future ' has received as donation to our VPM' Polytechnic, Library dated 23.07.2021 auspicious day of Gurupornima.

2 Engineers Day Celebration ( 15<sup>th</sup> September 2021)

Essay Competition was organized on the topic

**“Future Technology, Needs for India -2047”**

Result of Essay Competition-

Aarya raje TYCO 1st

Anshita Ajay rai SY IF 2nd

Reeba Patel SYCO 3rd

Tanvi kadam SYIF Consolation

Taha Chachatwala ( SY EP) Consolation

(20 students participated in the competition)

3.Vidya Prasark Mandal's Polytechnic , Thane Received ISTE Best Student Chapter ( Polytechnic) Maharashtra–Goa Section 2020 on 5<sup>th</sup> Oct 2021

4 Poster Presentation Competition on  
**"Pollution control Methods "**

For 1<sup>st</sup> semester students

Date of submission -16<sup>th</sup> December 2021

Poster presentation competition

**First prize**

1.Yash Palkar ( First year Instrumentation)

**Second Prize**

1. Shivam Gupta ( FY EP)

2.Sarah Chaus,Mehar Zha,Param Koli,Rachit Jadhav(FY IE)

**Third prize**

1. Prajakta Pawar ( FY CO)

2. Prerana Panchal ( FY EP)

**Consolation**

1. Haneen Dalvi ( FY I F)

2.Sai Kiran Gedela ( FY EP)

5. Power Point Presentation on-

**“Environmental Issues and preventive measures”**

For 3<sup>rd</sup> Year Students

Dates Of presentation: 6<sup>th</sup> December to 16<sup>th</sup> December 21

Environmental crisis is the biggest problem across the globe; environment protection is the urgent requirement in the current scenario. In order to create awareness and possible solutions among young minds, ISTE chapter organized power point presentation event, Students presented their innovative ideas and shared effective solutions.

6. Topic --- **“Integration of science and Technology for Sustainable growth”**

Date--- 28<sup>th</sup> Feb 2022

Time- 3.00 to 3.45 pm

Venue—Virtual Mode ( webinar)

Speaker—Mr. Shreekant Balvant Patwardhan

Audience—Electrical power system, Instrumentation and Industrial Electronics students

Programme Coordinator—Dr. Mrs Geetali S. Ingawale

Mr. Shreekant Patwardhan, is electrical engineer and published patent on “ Three step Biomethanation process” He completed many Engineering and educational projects.

In his talk he elaborated “ science day “ and focussed on how science and technology gets integrated and can be used for sustainable growth. Science and Technology can be integrated in the form various working projects. He advised students to go for innovations, creativity and start up projects. Further he added, how Waste Management can be useful in developing business and revenue. He emphasized on, Waste to wealth, Waste to energy and social Enterpreurnship. He explained, how with the help of science and using proper Technology one can generate energy from waste. Students cleared their doubts by asking various questions. Lecture was informative and fruitful for students.

7. ISTE chapter VPM'S polytechnic( 2021-22) & Library and Information centre ;organises Exhibition

On account of women's day celebration( 8<sup>th</sup> March 2022), There was exhibition of books of well-known women authors,

Venue- Library ( 10 am to 4.30 pm)

**ISTE Chapter VPM's Polytechnic (2021-22)**

**Programme Title- Slogan Competition on World Earth Day**

**Date of Event – 22<sup>nd</sup> April 2022**

Earth Day is observed on 22 April to draw attention to the urgency of the climate crisis and environmental degradation and the need for immediate action. Every year on April 22, people around the world celebrate Earth Day. The day marks the start of the environmental movement in 1970, and for the past 52 years has resulted in a greater awareness of the environment. For Earth Day 2022, we need to act, innovate, and implement.

ISTE Chapter VPM's Polytechnic organised Slogan Competition for first and second year diploma engineering students in order to create awareness among students about environmental crisis and urgency to solve critical issues of Environment such as Global Warming. Students of First year Diploma Engineering and second Year Computer Engineering actively participated in the competition.

Result of competition is as mentioned below

Shivani Ganesh Bodke ( S.Y. Computer engineering) -First Prize

Praamya Joshi ( F.Y Computer Engineering) - Second Prize

Mukund B. Sonar ( F.Y Industrial Electronics) - Second Prize

Anandi S. Jadhav ( FY Computer Engineering) - Third Prize

Akshata Nandwalkar ( F. Y/ Information Technology)- Third Prize

Mugdha Sarpande (S.Y Industrial Electronics)- Consolation Prize

Prize winning Slogans are---

- *One Day life will flash before your eyes, make sure it's worth watching. It's High time to save our Mother earth....Save nature, save planet save future.*
- *Let's plant a tree, so the future of the planet is guaranteed.*
- *Enhance the beauty of mother earth by wearing green dress to her.*

**National Electoral Day  
A Report on  
Program conducted by Joshi Bedekar College,  
on 25<sup>th</sup> January, 2022**

Our country observes “National Voters’ Day” every year on January 25 to encourage more young voters to take part in the political process. Since 2011, National Voters’ Day has been celebrated on January 25 every year, all across the country to mark the foundation day of the Election Commission of India, i.e. 25th January 1950. The main purpose of the NVD celebration is to encourage, facilitate and maximize enrolment, especially for the new voters. Dedicated to the voters of the country, the day is utilized to spread awareness among voters and for promoting informed participation in the electoral process.

On this occasion, Joshi-Bedekarcollege along with Higher Education, Kokan Region, organized a program to inspire and motivate the young voters for understanding the importance of voting as their duty towards nation. The Program was conducted in Panini sabhagruh as well as it was aired over the net on zoom and Youtube live.

It started with national anthem for which everybody stood and shown the respect towards it. The program was compered by Vedavati Madam in a very fluent and graceful way. Joshi Bedekar college has their own MahavidyalaAbhimanGeet, which was played then after.

All dignitaries on the dais were welcomed by Principal Dr. SuchitraNaik madam. It was followed by welcome address given by Dr.Naik Madam. She explained in very simple words how and why it is needed to identify the importance of voting for every citizen of our country. She explained with quotes of different respected persons like Dr. Ambedkar as “We are Indians firstly andlastly’.

Then honorable guest Dr. DyandaKadam, and Dr. Sonali Rode addressed the audience virtually. Followed by them Dr. Sanjay Jagtap, Joint Director, Higher Education, Kokan Region delivered a speech telling the importance and need of voting to young voters as our country has more number of young voters.

Mr. YuvrajBangar, Tehsildar, Thane thrown a light on the tasks which are carried out and the efforts required in the entire election process. He urged to the young voters that they should take interest in the process, they should register themselves as soon as they become eligible for voting.

Last speaker was Mr. VijuMane arenowned FilmDirector, who spoke in a very impressive and motivational way in his speech. He spoke about how directly every citizen is connected and is responsible for the growth of a better India.

The students of the college performed a street play at the end of the program and then the program was concluded by Pasaydana.

**V.P.M.'S POLYTECHNIC, THANE**  
**Department of Electrical Power System**

*Vision: Empowering the Students with Best Knowledge in Electrical Power System through innovative Learning Methodologies.*

**Report of 28<sup>th</sup> NC on 'Battery Electric Vehicle & Related Technologies'**

Electrical Power System department of V.P.M's polytechnic Thane hosted 28<sup>th</sup> National Conference "Battery Electric Vehicles & Related Technologies" on 16 April 2022 on Zoom Online Meeting along with Youtube Streaming. The aim of the conference was to provide a platform that brings together Researchers, Engineers, Manufacturers, and Practitioners to share and discuss advances and developments in Battery Electric Vehicles and related Technologies.

**Inauguration:**

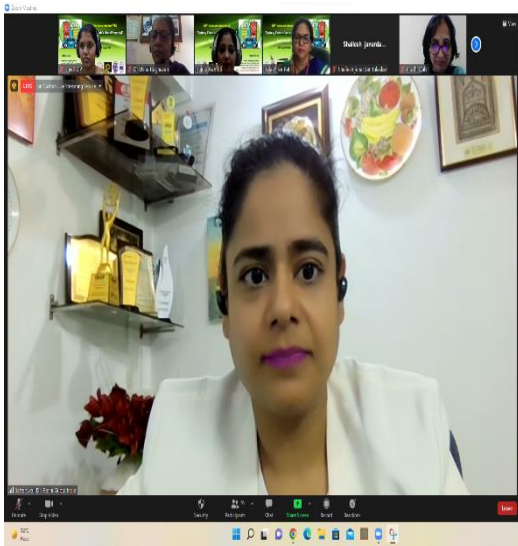

The conference started with the talk on the Preamble of the event by the Conference organizing Secretary Mrs. R. U. Patil In-Charge of the Electrical Power System Department. Ma'am explained the purpose, importance, and schedule of the Conference. Followed by this, Principal Dr. D. K. Nayak felicitated the gathering with his motivational words. Mrs. R. U. Patil introduced and invited the Chief Guest and Keynote Speaker Dr. Shankar Venugopal to inaugurate the conference and released the conference proceedings.

**Session 1:**

Followed by the inaugural function, Keynote Speaker Dr. Shankar Venugopal delivered an amazing session on the "A vision for achieving sustainable Mobility by using Battery Electric Vehicles". He explained the importance of sustainable mobility and the ways with which we can transform the transportation sector into more energy efficient. Mr. Shankar Venugopal concluded the session by giving the students a clear vision of the future skills for mobility engineers. His discussion on the future trends of EVs helped the students to be more updated and focused. The session was interactive, and the speaker cleared the doubts of students in a simple and understanding way.

**Session 2:**

The next speaker Dr. Rashi Gupta, fondly known as “Batterywali of India”, Founder & Managing Director of Vision Mechatronics Private Ltd, was featured as Asia’s Most Influential Women in Renewable Energy, 2020. Dr. Rashi Gupta gave an interesting session on Battery Management systems- importance and Types of EV. The Battery Management System is necessary for the safety of the battery and people using it, for overall performance management, and to prolong battery life. The key protection functions like Under and Overvoltage Protection, temperature protection, Protection from short circuits, Passive cell breaking, and active cell balancing were discussed by the speaker in an effective and simple way. The

interactive session followed by the presentation was very informative and motivational.

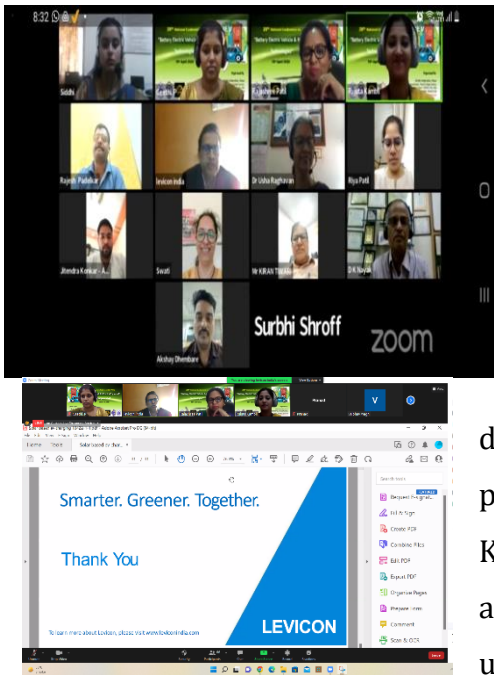

**Session 3:**

Next speaker Mr. Pranad Seth is currently working as Senior Manager, Advanced Technology Development, ERC Pune, TATA Motors Ltd He gave a wonderful presentation on Electric Vehicle: An Overview of the Emerging Trends. Electric mobility has been the prime focus in this journey and the presence of Electric Vehicles is continuously rising in the market. He explained the

trends in a more effective way by taking the examples of Electric Vehicles available in the market. Although conventional vehicles based on internal combustion engines have been on the market for more than five decades and customers are familiar with them, customers are impressed with electric vehicle performance in terms of faster pickup, silent operation, hassle-free drive features, etc. Electric vehicles are highly suitable for intra-city operations for daily commute. The examples and statistics he used were so informative and useful.

**Session 4:**

The next session was by Mr. KedarNadgaundi Director of Levicon India Systems Pvt Ltd. His 19 years of experience in the field of solar energy management & electric vehicles made the session so interesting and inspirational. His presentation on EV Charging by Solar Power System unveil so many opportunities for aspiring technical professionals. Solar charging stations for electric vehicles have emerged as one of the best ways to reduce the world's dependence on fossil fuels for powering various modes of transport. He presented himself as an example of sustainable energy management. Mr. Kedar Nadgundi has a total solar grid at home and he uses one EV car and two EV Arther 2 wheelers. The question-answer session was so useful for students.

**Session 5:**

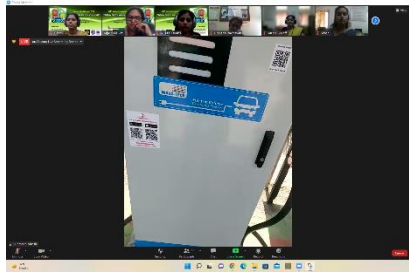

The next session was handled by Mr. Vivek Chaudhari, Station Controller, Maha Metro, Nagpur. He is pursuing his PhD from VNIT Nagpur. His presentation on Thermal Analysis of Lithium-Ion Battery Used In Electric Vehicle solved the doubts on the thermal aspects of EV batteries. Mr. Chaudhari explained the frequently used battery and its cooling methods. A cooling technology like phase change material has been recognized as a promising approach due to its sustainable life span and high latent heat without any need for pumping power like in the air or liquid cooling. As the students were so confused about the cooling methods of batteries his doubt solving session become very useful for them.

**Session 6:**

The demonstration session by the next speaker was so attractive, as the speaker demonstrated the charging operation of an Electric vehicle. He explained the process of charging and the operation of the software part through the customer will be doing the tariff check and payment. The plug

and the module used for charging were shown properly by the speaker, which made the session more interesting. As the demonstration was live, students get to clear their doubts effectively.

**Valedictory session**

As a part of the Conference, two competitions were conducted. E-poster Competition and Ideapitching competition. As a part of both competitions, we received a large number of entries of which we have shortlisted some of the best. Good creativity & presentation of the posters done by students made the competition fair and attractive. Not only the Electrical department students. but also other departments students show the active participation. The E-posters were divided in to 2 parts 1. Handmade posters 2. Digital posters. Each category have 3 prizes!

**Handmade poster:**

- Consolation Prize :Kaustubh More (VPM's Polytechnic FY-Eps)
- 2nd prize Aditya Jadhav.:( VPM's Poly SY-EPS)
- 1st prize :MiteshVaktana: (Pravin Patil College of diploma. Engg. TY-EE)

**Digital posters:**

- Consolation prize : Sakshi sonar (K.K. Wagh polytechnic Nashik TY – IT)
- 2nd Prize :Shrusti Jadhav (VPM's polytechnic SY – Computer)
- 1st prize :ShrustiKolhe (VPM's polytechnic TY-EPS)

The second competition was idea pitching. We invited entries as individuals or groups of 3. This category was very special as the ideas presented by participants showcased their imagination skills Supported by subject knowledge & their interest in new technologies. We have analyzed all these ideas & shortlisted a few on the basis of the innovation, practical implementation, future scopes & the quality of presentation.

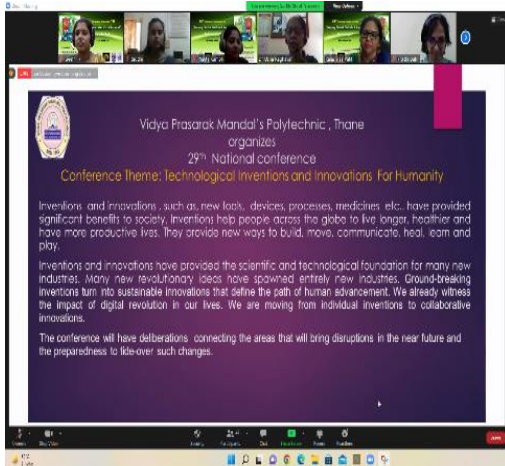

The results of the Idea-Pitching Competition is as follows.

- First prize : Aaryan Rane, Purab Singh, Jarjishsiddibapa from Muchhala Polytechnic , Thane
- Second prize shared by two : Aneesh Bauskar&kasturi Bapat (VPM's polytechnic Thane. TY - Instrumentation Dept.) and Taha chechatwala (VPM's polytechnic, Thane SY-EPS)

## 29<sup>th</sup> National Conference:

After the prize announcement session, Dr. Usha Raghavan, Head of the Department, Information

Technology, officially announced the forthcoming 29<sup>th</sup> National conference by delivering the preamble of the event. Dr. Usha Raghavan explained the theme “Technological inventions and innovations for humanity” to the audience. Mr. R. U. Patil concluded the event by extending a vote of thanks.

Youtube Link for the conference: [https://youtu.be/ew5CZkCj\\_TY](https://youtu.be/ew5CZkCj_TY)

Activity Details

**Name of Program : Self Defence awareness programs for women/Girls (AtmaRaksha)**

Start Date: 6<sup>th</sup> October,2022

End Date: 26<sup>th</sup> December,2022

Duration:2 Months

Location of Program:VidyaPrasarakMandal Campus

Details of the Program/Activity(In short):

The above theme includes a series of programs which aim to develop self defence awareness among the girls or women in our institute and also in our neighborhood. There is an urgent need for the education system of the country to incorporate workshops on self-defence and sessions on improving the mental capability of young girls, teaching them to focus on the situation, act smartly, and get out unharmed. Women should also invest energy in learning about self-defence gadgets and keeping them handy. Self-defense for women makes them aware, cautious and equipped in times of danger against criminals. This will definitely mitigate the count of crimes against women.

**Additional Details:**

**Abstract:**

Self-defence, especially for women, is of extreme importance in present world. Women, usually referred as the weaker sex, are considered easier targets. In our society, the cases of gender violence are on rise, out of which many go unreported, self-defence for woman has become a necessity more than ever.

Self-defense helps the girls or women to prepare for unexpected situations and also helps to develop their individual mental and physical health. Self-defense and self-protection are an important priority for women in particular. The purpose of the above theme is to develop awareness for self-defence among varsity girls.

So in order to achieve the target we had organized three programs in our campus.

1. The first program includes "BETI BACHAO BETI PADHAO".

VidyaPrasarakMandal's TMC Law College, Thane associated with Thane District Legal Services Authority organized a drawing/sketching competition based on "BETI BACHAO BETI PADHAO" on the eve of International Day for the Girl Child, 11<sup>th</sup> October 2021. The motive of this program was to boost the self esteem, confidence and self defence among the girl students.

2. The Second event involves in development of "Digital Assistance for Woman/ Naari Shakti".

This program was conducted by VidyaPrasarakMandal's Polytechnic Thane College on 8<sup>th</sup> November 2021. The main motive of the crowd is to develop applications for Mobiles or websites to help the needy female candidates in any form and also to strengthen their potential in terms of self defence.

3. The Third program comprises "Cyber crime Awareness Quick Heel Program "

It included a few dramatization of short plays executed by NCC Students of Vidya Prasark Madal's K.G Joshi College of Arts & N.G Bedekar College of Commerce, Thane to exhibit different forms of Cybercrimes involved in the society where many women are getting effected. This event was organized on 26<sup>th</sup> November, 2021

## **II Relevance**

The ability to defend individual in the event of a physical altercation can help him/her feel more secure and safe. Self-defense techniques taught in our programs not only teaches female students to defend themselves against physical attacks; it also has diverse benefits for them in their everyday lives.

1. “BETI BACHAO BETI PADHAO” aims at Self-defense mechanisms which can guide female crowd for ensuring their safety, fitness and confidence in their day to day life struggle. The program strives to educate citizens against gender bias and improve efficacy of welfare services for girls.
2. “Digital Assistance for Woman/ Naari Shakti” focussed on research and innovation to develop such efficient application that selects tools and techniques to boost women safety and security.
3. “Cyber-crime Awareness Quick Heel Program“ attempted to spread the awareness with respect to cybercrimes which target the woman in offices ,colleges and schools.It focused on an indicative explanation to several complaints like Cyber stalking, harassment through emails , Cyber defamation etc.

## **III. Proportion of women benefitted in the interventions**

Since we have tried to reinforce the above programs within our institution campus, they basically focus the female gender of the institution which includes all the female faculties, students, staffs etc. The programs strive to make neighborhood safe & violence-free for women & girls.

Though the programs were conducted to spread awareness among girls/women in our campus and neighbourhood, it also aims to educate men and boys to change their mind set towards gender stereotypes and their roles. It gave an opportunity to the man of the society to lend hands to society to eradicate the problems faced by woman community. These programs aim to educate and sensitize our sons to respect women and girls as equal members of society.

Conclusively, every individual who have participated and watched the programs were benefitted through the programs.

## **IV. Measurable gains in terms of Knowledge gained (cognitive gains)**

‘Beti Bachao Beti Padhao’ program is dedicated to improve the condition of the girl child in India. The main aim of this programme is to improve girl child’s situation through knowledge and empowerment. The main strategy of this program is to implement a sustained Social Mobilization and Communication Campaign to create equal value for the girl child & promote her safety and security.

Digital Assistance for Woman/ Naari Shakti” is providing awareness to the Women and Children

regarding security measures through our latest technologies. A vast proportion of applications addressing violence against women primarily draw on one-time emergency or avoidance solutions, as opposed to more preventative approaches. Further research is necessary, critically considering questions of data security, personal safety and efficacy of such mobile health interventions.

The program is an important step in the further evaluation of application and their functions addressing violence against women, their potential purposes, risks and effects which need to be assessed more thoroughly. “Cyber-crime Awareness Quick Heel Program” helps to create massive awareness among women and children regarding the safe use of Mobile Phones, Computers and the Internet. Cyber crimes against women are on the rise and they have been drastically victimized in the cyberspace. This program will encourage women to adopt safe computing skills and it will promote good security practice.

#### **V. Measurable gains in terms of Skills acquired and practices used**

The workshop ‘Beti Bachao Beti Padhao’ focused on the development of mental and physical health of children and how to take care of it. Under mental health, behaviour and thinking process was explained through the event. In category of physical health, hygiene and protection of body parts was reinforced. Along with it, sketching or drawing adopting the above concept also enhanced the creativity and analytic skills of students.

The program on “Digital Assistance for Woman/ Naari Shakti” aims at providing adequate training to women on how to make the maximum use of technology skills for their safety. These devices are usually developed with geo-trackers and a direct police helpline specifically set up for this and linked to a hospital. The main purpose of such institutions was a social welfare activity, but definitely as a development activity as well. Special measures were taken for their training in area where they have special skills like communication and information technology.

The event “ Cyber-crime Awareness Quick Heel Program “ exhibited excellent presentation and communication skills of the students through their role plays. Ability to clearly articulate complex concepts and understanding, and usage of active listening skills were also enhanced in the above program.

Moreover netizens with higher cyber security awareness will engage in more cyber protection behaviors. The students will perceive current understanding of common web vulnerabilities. There are also exposed to maintain awareness and knowledge of contemporary standards, practices, procedures and methods with respect to cyber security.

Cyber security awareness will serve as mediator between cyber knowledge and cyber protection, i.e.,

individual's with greater cyber knowledge will be more aware of potential cyber hazards and, therefore, exhibit more cyber protection behavior than individuals who lack the needed levels of awareness or knowledge.

Cyber security awareness will serve as a mediator between cyber knowledge and cyber protection, i.e., individuals with greater cyber knowledge will be more aware of potential cyber hazards and, therefore, exhibit more cyber protection behavior than individuals who lack the needed levels of awareness or knowledge. Cyber security awareness will serve as a mediator between cyber knowledge and cyber protection, i.e., individuals with greater cyber knowledge will be more aware of potential cyber hazards and, therefore, exhibit more cyber protection behavior than individuals who lack the needed levels of awareness or knowledge.

## **VI Impact on the society/ Significant Outcomes**

This initiative under 'Beti Bachao Beti Padhao' have started giving fruit as the level of awareness among the people is increasing. Therefore, people now have a serious impact to work for girl child safety in society. The success of this program added tremendously to the economic growth of the society. This is due to the fact that India cannot afford to have a large part of its population remain neglected. It encouraged women's empowerment in order to improve women status in the society.

"Digital Assistance for Woman/ Naari Shakti" helps to impart knowledge of utilisation of technology for supporting women's security. In the wake of rising crime against women, many students have taken the initiative to introduce products in the form of applications, which will ensure safety for women. This also emphasised on enhancing the facilities of vocational and technical education for women in the society. Digitization offers incremental economic growth in the society. Rapid advancement in technology is complemented with an increase in the crimes against women. A holistic solution is to be aware, alert and prepared in all forms, in all ways, for all situations.

"Cyber-crime Awareness Quick Heel Program" helped the female crowd to understand the risks/impact of cyber crime or cyber attacks. This contributes as an important step towards building a secure information society.

Looking at the growing importance of cyber security, department of Information Technology has identified this as a critical area. The key activities undertaken was to widely generate information security awareness to student of school and colleges in a planned manner.

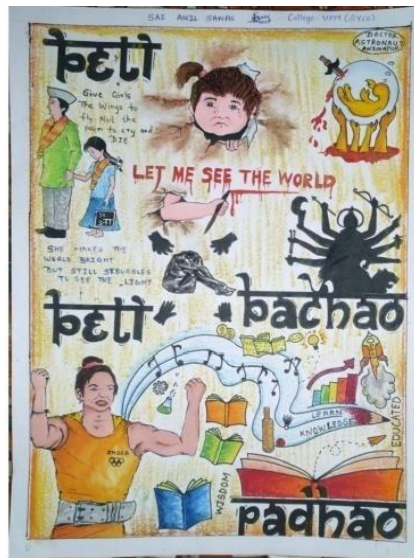

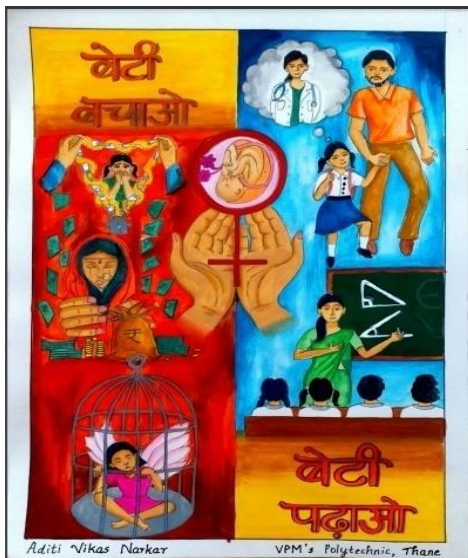

College students are utilizing the Internet to expand their horizons to learn, create identities and be a part of the society. However, this program propagates the theme of women self defence as a need to know how to use all the features provided by Information technology in a safe manner without getting compromised with regard to privacy of personnel information, maintaining secrecy of information and creating trust in the computing environment.

The social impact of a cyber-attack refers to aspects such as the social disruption caused to people's daily lives, and widespread issues such as anxiety or loss of confidence in cyber or technology. Psychological impact can be informed by social impact, and can include more personal aspects such as an individual's anxiety, worry, anger, outrage, depression and so on. This program had targeted to get rid of the social impact of cyber attacks also.

**Annual Report 2021-22**  
**Institute Innovation Council**  
**IIC ID – IC201810967**

**Vidya Prasarak Mandal's Polytechnic, Thane.**

**A. About IIC Institute**

**Vision:**

**Encourage, Inspire and nurture young students by supporting them to work with new ideas in their formative years.**

**Mission:**

- **To create a vibrant local innovation ecosystem**
- **To create awareness about Start-up/ entrepreneurship.**
- **Establish ecosystem for scouting Ideas and develop prototypes**
- **Develop better Cognitive Ability amongst Technology Students**

**Journey of IIC established at the institute:**

**The Institution's Innovation Council of VPM's Polytechnic's was inaugurated on 7<sup>th</sup> Dec 2018 by Dr. Nitin M. Joshi, Director, VNBRIMS, Thane. The Certificate of Approval from MHRD and AICTE – New Delhi was released in the presence of Principal Dr. D.K. Nayak. The council was formed under the leadership of President Dr. Usha Raghavan**

<b>Academic year</b>	<b>IIC driven Activity</b>	<b>MIC driven activity</b>	<b>Self-driven activity</b>	<b>Total</b>	<b>Star rating</b>
<b>2021-22</b>	10	10	25	45	
<b>2020-21</b>	10	7	24	41	4 Stars
<b>2019-20</b>	15	22	11	48	4 ½ Stars
<b>2018-19</b>	4	4	4	12	3 Stars

The progress has been profound. This year we have conducted idea competition, PoC competition, innovation related poster competition, slogan competition, celebration activity – National technology Day, National Science Day, National Earth Day, Nation Energy Conservation Day, National Start Up Day, National Innovation Day. An Internal Hackathon has been conducted. 12 teams participated. The ideas have been uploaded for participation in the Smart India Hackathon. One team from Instrumentation with Shreyash Avhad as the team leader and Mrs V.A. Joshi as the Mentor have been selected for the Grand finale.

Many sessions related to journey of Entrepreneurs and intellectual Property Rights, Prototype Design, Design Thinking, Managing Innovation, Converting Innovation to Start up, Business canvas Model, New Product Development, Business Ideas during COVID have been organized and students have been benefitted through these sessions.

A technology Business incubation centre has been established in the institute. Due to COVID, we still do not

have students working there with projects. However, we do foresee students hopping into this centre for prototyping their ideas

The faculty have been encouraged to become Innovation Ambassadors. 13 faculty members are Basic Level Innovation Ambassadors and 3 faculty members are Advanced level Innovation Ambassadors.

**Mentor Mentee Programme:**

Ministry of Education / AICTE has initiated the scheme that will enable and provide support to the institutes to develop the innovation culture and ecosystem.

The objective of Mentor-Mentee scheme for IIC institutions is to engage high performing IIC institutions specially those have secured star rating of 4 and above during the previous IIC calendar year to act as mentor to the IIC institutions those are need of guidance and support. This twining program helps IIC institutions to facilitate knowledge exchange and resource mobilization between institutions by offering inter-institutional collaborations. Scheme is designed to mentor 5 mentee IIC institutes by one mentor Institute. Ours is the only polytechnic in India to be selected as a mentor and to receive a Grant-in Aid of Rs 2,25,000 for organizing activities for the mentee institutes.

Dr Usha Raghavan  
President, IIC Cell

## Good deed

A man was asked to paint a boat. He brought with him paint and brush and began to paint the boat bright red, as owner asked him.

While painting, he noticed that there was a small hole in the hull, and he quietly repaired it. When finished painting, he received his money & left.

The next day, owner of the boat came to the painter presented him a nice cheque, much higher than the payment for painting. The painter was surprised and said “you have already paid me for painting of the boat sir”.

“But it is not for the paint job. It’s for having repaired the hole in the boat even without my instructions”. Ah! But it was such a small service- certainly it’s not worth paying me such a huge amount for something insignificant.

“My dear friend, you don’t understand! Let me tell you what happened. When I asked you to paint the boat, I forgot to mention about the hole. When the boat dried, my kids took the boat and went on a fishing trip. They didn’t know that there was a hole. I was not at home at that time.

When I returned and noticed that they had taken the boat, I was desperate because I remembered that the boat had a hole. Imagine my relief and joy when I saw them returning safely after fishing. Then I examined the boat and found that you had repaired the hole. You see, now what you did? You saved the life of my children! I don’t have enough money to pay for your good deed.

So keep up the good work, no matter how small it may seem to be.

Only those who can see the invisible can do the impossible.

## Dr.Chandra

It was 1943, when Dr.R.H.Kulkarni was a young doctor based in Hubli. He was 22, and got a job in a hospital in Chandgarh village near Maharashtra Karnataka border. The village was sparsely populated and surrounded by dense forest.

It was the month of July. On a stormy night with heavy rains, Dr.Kulkarni was reading a book. Suddenly, he heard a loud knock on the door of his house. He wondered who it could be at this time of the night. With a fear in his heart, he opened the door. On opening the door, he saw four men wrapped in woolen clothes with sticks in their hands. They called the doctor in Marathi, "Take your bag and join us quickly". The doctor thought he could not oppose them, so he quietly took his bag and went with them. Afraid, he asked, "Where are you taking me? When he did not receive any answer, sat silently. After an hour and half, the car stopped. There was darkness all around. The men with sticks got the doctor out of the car and brought him to a kachha house. One of the rooms was dimly lit by a lantern, and a pregnant woman was lying on the cot. An old woman sat next to it. Looking at this scene, doctor was shaken and was unable to understand what was happening. At this point, he was informed that he had been brought to deliver the child.

Seeing that girl moaning in pain, the doctor's heart melted. Although he had never handled delivery before, he determined that he would definitely help this girl in that stormy night, and asked her, who are you? How did you get here? "Doctor, I don't want to live", the girl said in a painful voice. She narrated her ordeal, saying, "I am the daughter of a big land owner here" She further said "since there were no high schools in our village, my father sent me to a distant city to study. I fell in love with a classmate and got pregnant. When I found out, I immediately told the boy. But he left me and ran away. By the time my parents found out, it was too late. That's why they sent me here, so that no one comes to know about it." The girl started crying loudly as she completed her story.

Dr.Kulkarni started preparing for the delivery. With his efforts, the woman gave birth to a girl child, but the child did not cry. When the young woman realized this, she started crying." It's a daughter! Let her die or else she will also have to live an unfortunate life like me. But Dr.Kulkarni did his best to save the baby girl, and after his consistent efforts, the child cried. When the doctor left the room after the delivery, he was given 100 rupees, which was a large sum of money at that time. Doctor Kulkarni was then earning a monthly salary of Rs 75. After taking the fee, the doctor realized that he has forgotten his bag inside. On the pretext of taking the bag, Doctor Kulkarni once again went to that room and put the 100 rupees note on the girl's hand, telling her " Joy and sorrows are beyond human's grasp, sister, but you can forget everything and take care of yourself and this little life.

When you are able to travel, then go to the Nursing College in Pune. There I have a friend named Mr.Apte. Go and meet him and tell him that Dr.Ramachandra Kulkarni has sent you. He will definitely help you. Think of this as a brother's request. Right now, I won't be able to do anything more for you." He placed his hand on her head and left.

Years passed since this incident. Dr.Kulkarni later became specialized in female obstetrics. Once, he went to Aurangabad to attend a medical conference and was deeply impressed by and exuberant and brilliant young doctor, Dr.Chandra's speech. During the same program, someone called Dr.Kulkarni by his name, and Dr.Chandra's attention was drawn towards him. She went right up to him, and asked him " Sir, have you ever been to Chandgarh? Dr.Kulkarni said, Yes, I Have, But that was years ago." Dr.Chandra said, " Sir, then you need to come to my house"

Dr.Kulkarni said Dr.Chandra, "I have met you for the first time today. I thoroughly enjoyed your speech and I appreciate your knowledge and research. But won't be able to join today. I will surely come over some other time."

But Dr.Chandra insisted, " Sir, please come with me for a little while today, I will be grateful to you for the rest of my life." Now, Dr.Kulkarni could not refuse Dr.Chandra's invitation. Finally Dr.Chandra took Dr.Kulkarni along, reached her house and called out, "Maa, look who has come to our house!?" Dr.Chandra's mother came out and on seeing Dr.Kulkarni in front of her, at first, she could not believe her eyes. Her eyes filled with tears, and she some how held herself together, bowed to him and fell at his feet.

Dr.Kulkarni was confused and panicked. But before he could comprehend anything, she recalled the old story and said: " Doctor, I am the same girl whom you helped in the middle of the night in the village near Chandgarh, while I was in labour pain. As you suggested, I went to Pune and became a staff nurse.I encouraged my daughter to study a lot and made her a gynaecologist considering you as an ideal. My daughter Chandra is the one who was born at your hands that night." He was immensely surprised to hear all this and was very happy. He asked Chandra, "But how did you recognize me?" Dr.Chandra said, " I recognized you by your name, Sir, I have heard my mother chanting your name all the time".

In awe, Dr.Chandra's mother said. "Sir your name is Ramchandra. From that same name, I gave my daughter her name, Chandra. You have given us a wonderful new life. Chandra also considers you an ideal and helps poor women by giving them free treatments."

Dr.R.H.Kulkarni was the father of prominent social worker, renowned writer and Infosys Foundation Chairperson Sudha Murthy.
