

Siddhant

Mathematics Department

Inaugural function for the academic year 2011-12 of Mathematics club “Siddhant” was organized on 3rd August, 2011 at 11.00 a.m. in Patanjali Auditorium. Mr. Nitesh Gawade and Mr. Vijay Singh were invited as Chief guests to deliver a talk on “What Next after B.Sc.”

Mr. Nitesh Gawade is a result-oriented professional, with a degree in PGDBM (Systems) from SIMSREE, Mumbai. He is currently operating a startup EDIFY LABS as a medium for effective and affordable education. EDIFY LABS have two products namely gSchool and gNotes. gSchool provides effective education to schools, colleges, corporate and general public in the form of seminars, workshops, scholarship programs, individual counseling and consulting to get an edge and achieve success in their respective arena.

Mr. Vijay Singh is an alumnus of our college. He passed out in the year 2005 with Mathematics as major subject in B.Sc. He has done M.Sc. in Mathematics from University of Mumbai and MBA from SIMSREE institute. He is currently working as a Specialist Officer (Marketing) in Bank of India.

Mr. Vijay Singh shared his valuable experiences as an alumnus and Mr. Nitesh Gawade motivated the students to think about the dream job they want after their graduation. He guided the students with the help of a power point presentation, on how to get their respective dream job. He tried to motivate the students to develop functional, technical and behavioral qualities, to chase high goals. Through small entertaining games and stories, he made his presentation attractive and effective.

In all, 130 students and 9 teachers attended the program.
