

Departmental clubs

We have nine clubs functioning in our college; we have performed various activities through these clubs.

Zoology Club “Green Force Nature club”

Inaugural function of green force nature club was organized on 18th July 2008.

Dr. Deepa Rathi Head of the Department of Chemistry, Nirmala Niketan, was invited as chief guest of honour for the day. She delivered a lecture on awareness related to environment and nature games. It was a motivating lecture for students. Students of T.Y.B.SC zoology also arranged an exhibition on sanctuaries and national parks of India on the same day.

Green force nature club had also arranged a film show on “Utsavachi paryayavarnachi vat” by Nivedita Kothare, on 2nd August 2008 in zoology lab. The show was about the pollution of natural resources after the celebration of ‘Ganesh utsav’. It was an eye opening experience.

On 3rd August 2008 on Sunday, green force nature club had arranged a nature trail to Yeeor. It was a close exposure to nature so as to understand, and enjoy the pure beauty of nature. Dr. Goldin Qudros of WWF (World Wide Fund) introduced us to various species of insects, butterflies and plants.

Botany Club “Srushti”.

The “Srishti” inauguration ceremony was held on 9th August, 2008. The Chief Guest Dr. T. Srinivasu, Botany Department Institute of Science had graced the function. Dr. T. Srinivasu made a presentation on Electronic Herbarium. He explained the use of digital camera, computers and internet in the making of e- Herbarium. He explained the uses, merits and few demerits of e- Herbarium. He encouraged the young students to prepare the data bank for an e- Herbarium for the plants from Thane region.

Botany club "SRISHTI" believes in nurturing young talents and 'Sankalp' is a platform that has been provided for the inquisitive and exploring young brains of our young and youthful participants to express their talent, views etc. On 16th September 2008 a program 'Sankalp' was arranged by Botany club "SRISHTI" for the students. Fourteen students participated and spoke on wide range of topic such as Forensic science, Apiculture, Hedges, E-commerce, Green revolution, Orchids, Vegetables and importance of vegetables, Floriculture, Insectivorous plants, Home remedies, Food contamination, Condiments and Aromatherapy. Students kept surprising us with their extraordinary talents, burning enthusiasm and novel ways to make presentations.

The Botany Club "Srishti" had organized its concluding program on 12.12 2008. A flower arrangement competition was arranged for the students of F.Y., S.Y. and T.Y.B.Sc. Student's response was noteworthy
